

Parent Handbook:

taking you step-by-step
through starting school

For children and young people who have a range of Special Educational Needs

Welcome

Amanda Jagot, Headteacher, says...

We are delighted that your child will be starting with us. We look forward to working in close partnership with you, to ensure that your child has the best possible start to school life at Saxon Mount.

Forms to complete

To help us with this, could you please follow the steps in this Parent Handbook, and hand in your completed forms to the School Office.

Answering your questions

You will find key information on pages 11- 14. If you have any questions that are not answered here, please contact the School Office on 01424 426303 and we will be happy to help!

Term Dates

Our term dates can be found on page 15.

Torfield and Saxon Mount Academy Trust

The Torfield and Saxon Mount Academy Trust was established in October 2014 and is the accountable body for both Torfield School and Saxon Mount School. Both schools cater for children and young people with special educational needs and disabilities, including autism, language and communication difficulties and complex learning difficulties. Jointly the federation caters for around 200 pupils aged 4-17. The schools also support local mainstream schools and colleges in their work to meet the needs of children and young people with Special Educational Needs and Disabilities. We have offered Outreach support and training to mainstream school staff, transition programmes for Year 12 students at local colleges and as a Trust, we aim to continue to build our reputation as a centre of excellence in our field.

Although Torfield and Saxon Mount work closely together in a number of areas by sharing resources, expertise and strategies, they remain separate schools with their own distinctive ethos and values.

STEP 1: Data Collection Form Saxon Mount

Step 1

The information you give on this form will help your child's school to give him/her the best possible support. It is important therefore that you fill in this form as accurately as possible. The personal information you give will be held on computer systems at the school/college and by the Children's Services Department and is covered by data protection legislation. Some of the data you give is required by the Department for Education.

Ethnic background monitoring

We want to make sure that everyone who uses our services is treated fairly. Finding out more about who uses our services helps us to know if we are doing a good job for all people. Our ethnic background describes how we think of ourselves. This may be based on many things including, for example, our language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth. Please study the groups listed below and tick one box only to indicate the ethnic background of the pupil named above. There are no right or wrong answers, just mark the box that you think best describes your child.

Use of Personal Data

Personal information that you have provided will be stored on computer systems at the school/college and in the Children's Services Department at East Sussex County Council. Your details will be held until your child leaves compulsory education or school sixth form, whichever comes first.

You have the right to ask for a copy of the information we hold about you. If you wish to see a copy of the information we hold then please contact The Data Protection officer, East Sussex County Council, County Hall, St Anne's Crescent, Lewes, East Sussex BN7 1UE. Further information about your rights in connection with your personal data can be found at www.eastsussex.gov.uk/dataprotection

Checking eligibility

We will run your details (surname, date of birth and national insurance number) through our electronic checking service. If we are unable to verify entitlement you can provide us with proof you receive one of the qualifying benefits listed below. For further information please visit our website at www.eastsussex.gov.uk/schoolmeals

- **Universal Credit** (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- **Income Support**
- **Income-Based Jobseeker's Allowance**
- **Income-Related Employment and Support Allowance**
- **Support under Part VI of the Immigration and Asylum Act 1999**
- **The Guarantee element of Pension Credit**
- **Child Tax Credit** (provided you're not entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- **Working Tax Credit run-on** – paid for four weeks after you stop qualifying Working Tax Credit

Name of the child:

School: **Saxon Mount School**

As you may be aware, the General Data Protection Regulation came into force in May 2018. This has placed additional obligations on organisations which affects how they handle data.

We take cyber security and data protection very seriously and we have put steps in place within our organisation to ensure we maintain secure and compliant systems. As part of this obligation we have reviewed our consents to using photographic images.

As a school, we regularly use photographs to show how our pupils and the school as a whole develop. Images can also help us illustrate and communicate with parents and carers about upcoming events and can help to provide information about the school to prospective parents / carers and pupils and reassure them about pupil experiences in a special school.

As part of implementing the national curriculum, the school does from time to time take and use photos as part of your child's learning and development. For example, putting pupil photos in displays, on school work boards, within work books and when preparing learning resources. They can also be used to help demonstrate progress, achievement and development and to motivate pupils to do well at school and so we will not require consent from you in those circumstances.

We also know that parents / carers and pupils really enjoy being able to see their images, particularly celebrating their achievements and participation in internal and external activities, and we would like to give all of our pupils this opportunity to be included in this.

There are a number of other instances when the school may take and use photos of your child, specifically: -

- We publish photos on the school's website to promote the school to current and prospective parents as well as when providing updates on news, current events etc.;
- We do not currently publish photos or videos on social media, but we may consider this in the future to provide updates on events and news within the school. The school will ensure that its privacy settings are such to limit viewing of photos to followers of the school accounts (as approved by the school);
- Within our newsletters, we may provide photos of recent events or achievements from our pupils;
- In order to provide information the school, we send out prospectuses, flyers, leaflets and brochures which contain images to show life at our school. These are sent to prospective parents / carers and our local schools;
- We may also use other promotional materials such as banners, signs and videos which may contain images of our pupils for prospective parents to view;
- We may be visited by the media who will take photographs or film footage of events. Pupils will sometimes appear in these images, which may then be published in local or national newspapers, in televised news programmes and on social media sites;
- We publish photos in and around the school building to illustrate to current pupils and parents / carers life around the school including educational materials and images of recent trips and events. These can be seen from time to time by other parents or visitors within the school;

We follow guidance as set by data protection legislation (mainly the General Data Protection Regulation) as well as guidance set by the Information Commissioner's Office on taking photos in schools and obtaining consent.

The data protection laws give children rights over their own data where they are considered to have the required capacity to understand their data rights. Most children will reach this level of understanding from the age of 12 and so it may be necessary for the school to obtain this consent from the child directly. If this is not appropriate (we anticipate this will be the case for most of our children), the school will consider preferences set out below:

Usually pupils will not be named in the photographs unless specific consent is gained in the first instance.

Consent to using your child's images will last throughout your child's time at the school and will continue to apply for a period of time after they leave, with a maximum period of 3 years (except for images published for historical purposes which may be kept for an extended period of time to show the history of the school).

We would like to seek your consent to the use of your child's images and will respect your decisions when publishing photos moving forward.

You can withdraw your consent at any time and can do so by writing to the Headteacher asking them to stop using your child's images. At that point they will not be used in future publications but we cannot prevent them from continuing to appear in publications already in circulation, either in print or online.

I agree to consent to images of my child being used on the school's:

Website Agree Disagree

Newsletters – Newsletters are published on the school website so consent includes this use. Agree Disagree

School prospectuses, flyers, leaflets and brochures Agree Disagree

Other promotional material (such as banners, signs and displays) Agree Disagree

Advertising in newspapers and other media Agree Disagree

In promotional materials to show the history of the school Agree Disagree

I consent to my child's images being used by the school in the media formats as set out above

Parent's or guardian's signature:

Date:

Name (in block capitals):

Catherine lives with her son, Ciwan, aged 12, in St Leonard's on Sea.

Step 6

Key Information

What are our school times?

School day

- School starts: 9am
- School ends: 3.15pm although clubs and catch up classes run until later until 4:15pm

Break-times

Morning Break 10.45-11.00 or 11.00-11.15

Lunch 12.45-1.15

Lunch Break 1.15-1.45

Pupils can access all outside play areas during morning and lunch break times. They can also choose supervised computer time and quiet room time.

Arrivals and departures

Pupils are supervised from 8.45am and from Monday to Friday the transport starts to arrive at 3.15pm. Duty staff, including a member of the Senior Leadership Team and the Learning Mentor welcome the children each morning, and bid them farewell at the end of the day.

Transport

The Local Authority may provide transport between your home and school. To ensure the safety of our pupils, escorts will travel on all minibuses and in some single taxis. Where pupils are not eligible for Local Authority transport, the school may provide transport, if needed.

Healthy lifestyle

The school operates a no smoking policy on the property and within the school grounds. This includes the use of e-cigarettes and other electronic smoking devices. Please help us to keep our air as clear as possible and promote a healthy lifestyle to our children. Dogs are not allowed on the school premises.

Uniform

Uniform items can be purchased from SuperStitch86, who can be contacted on 01424 852225 or by email: sales@superstitch86.co.uk. The company will deliver to your home free of charge for orders over £100. You can also order uniform items via a link on the school website.

Uniform items can be purchased from SuperStitch 86, who can be contacted on 01424 852225 or email: sales@superstitch86.co.uk. The company will deliver to your home free of charge for orders over £100. You can also order uniform items via a link on the school website.

PE

Parents and carers are also asked to provide children with suitable clothing for swimming and a blue tracksuit and white t-shirts for PE lessons. These items are also available from Superstitch86.

Jewellery

With the exception of very small, stud type earrings, children should not wear jewellery to school. Necklaces, bracelets and rings are not appropriate in school. Make-up is not to be worn.

Food in school

School meals

Pupils at Saxon Mount can enjoy a nutritious school dinner, at a cost of £2.30 per day or £11.50 per week. We are committed to ensuring that children eat healthily and a varied menu is provided, with vegetarian options. Salads are also available each day. Sample menus are available on the school website. When paying for school meals, Parents/Carers can pay electronically via ParentPay (if you wish to do this, please contact the school office to ask for details), send a cheque payable to 'Harrison Catering' or send cash in daily/weekly.

If preferred, children are also welcome to bring in a healthy packed lunch.

Healthy snacks and drinks

Children are encouraged to have a water bottle and to drink water during the day. Water is available on the tables during the lunch break. Please note that sweets, chocolate, chewing gum, fizzy drinks, nuts and energy drinks are not permitted in school and should not form any part of your child's packed lunch or playtime snacks.

Free school meals

Your child can receive free school meals if you are receiving the following:

- income support
- job seekers allowance
- child tax credit
- ...or are an asylum seeker or refugee.

For more information, please contact the school office.

Please tear here

Frequently Asked Questions

Here are our answers, to what we find, are the most frequently asked questions. If you have any questions that are not answered here, please contact the school office and we will be happy to help.

Special Educational Needs

Saxon Mount is a special day school for pupils aged between 11 and 16 and every pupil has a Statement of Special Educational Needs or EHCP. Although the LEA has the final responsibility for placing a pupil at the school, parent preference and recommendations made at the Annual Review play an important part in forming the decision.

Small classes

Classes are small with high staff / pupil ratios to ensure appropriate support is provided and independence is enabled. The National Curriculum is taught in KS3 and KS4. All children follow personalised routes to achieve appropriate accreditations.

Access

Children with a physical disability are fully supported in accessing all parts of the school. The school building is on two levels with stairs, ramps and elevator. There are specialist toilet facilities and changing areas.

Absence

Attendance for pupils aged 11-16 is a statutory requirement, and all absences must be authorised by the Executive Headteacher. Parents and carers are strongly discouraged from taking their son or daughter out of school unless this is absolutely necessary. Pupils who require Physiotherapy or Occupational Therapy as part of their statement may receive this on site.

Letters are sent to parents/carers three times per year to provide feedback on attendance. Should attendance become a concern to us, parents/carers will be expected to attend a joint meeting with school staff and the Education Welfare staff. Please inform the school about your child's absence on the first day of the absence.

Holidays

Absence other than sickness absence is classed as unauthorised. In line with East Sussex County Council Education Department advice, term time leave

for holidays will be unauthorised unless there are exceptional circumstances.

Illness

When students have been off school with sickness or diarrhoea parents are requested to keep them at home for 24 hours following the last attack.

Medicine in school

Medicine and drugs can be administered by named school staff, but only if we have details on a school medical form. Medication should be clearly labelled by the pharmacist with the pupil's name, in the original packaging and clear information regarding dosage. The Headteacher has the right to refuse to allow the school to administer medication.

First aid

We ask that parents/carers provide consent for their child to receive first aid if necessary. The school maintains policies on first aid, administration of medicine and Health and Safety, which are available on request.

Curriculum

Learning at Saxon Mount is delivered in carefully planned and differentiated activities and all pupils follow the National Curriculum.

Excellent facilities

We have some excellent facilities to support learning, including specialist science, art and technology classrooms, a sensory curriculum interaction centre. Outdoor areas are also very well resourced, with specially designated areas for gardening, PE and sport and leisure activities. Although children join us with low levels of prior attainment, we expect all pupils to engage and behave well, so that they are able to make the best possible progress in their learning.

Extracurricular activities

Pupils are encouraged to participate in the large number of curriculum trips and after school clubs that can support learning and provide social and personal development opportunities. This includes a number of opportunities to participate in residential trips.

Mobile phones

Mobile phones are not encouraged at Saxon Mount and if your child does bring one to school this must be handed in at reception every morning and picked up again in the afternoon.

Clubs and activities

Each day the school runs a range of after school clubs and enrichment activities, which include:

- Music
- Art
- Sport
- Life skills

Please see website for further details.

Off-site visits

To enrich the curriculum we take children on a wide range of educational, academic and cultural visits linked to their current topics. The pupils at Saxon Mount gain a huge amount from these visits, which have included visits to the Science Museum in London, the De La Warr Pavillion, Winchelsea Church, Summerfield's Sports Centre, and the Brighton and Hove Albion training ground.

Collective worship

Religious Education is part of the spiritual, moral, social and cultural education at Saxon Mount, and two whole school assemblies are held each week when pupils reflect on a range of issues in order to develop a sense of community within school and the wider environment. The theme for our Friday assembly is the celebration of achievement. This involves a large proportion of the pupils each week and is well regarded by the pupils. Citizenship lessons and tutor times are also used as opportunities to reflect and consider a range of issues.

The school welcomes visitors who are able to extend the pupils' experience and awareness of religious celebrations and traditions. The contents of assemblies have regard to the pupils' social, racial, cultural and religious backgrounds as well as their ages. All students are timetabled for one lesson each week of Religious Education.

Parents and carers may withdraw their child from all or part of Religious Education and collective worship. This should be discussed with the Headteacher so that an alternative, appropriate lesson may be offered.

Home learning

Home learning is considered to be an integral part of teaching/learning activities at school and extends opportunities for pupils to practice their newly learned skills and competencies. Please always ask if you need help with home learning. Our staff are available to provide on-going individual support to ensure your child is safe on the internet.

Charging policy

To cover the cost of certain activities, including our own transport and vehicle maintenance costs, it is necessary to ask for a voluntary contribution from parents and carers. Pupils will not be excluded from an activity if parents and carers are unable or unwilling to pay. However, if insufficient funds are received trips may not be able to go ahead as planned.

Emergency arrangements

Please ensure that the school office has your most up to date contact details, including mobile phone number and email address. If there are adverse weather conditions, we advise you to check the East Sussex County Council website for the latest information on school closures and listen to local radio stations such as Heart. We will also text all parents and carers and put any closure information on www.torfield-saxonmount.com as early as possible.

Moving on

By the time our young people leave school, they are able to achieve in a number of areas, ranging from GCSE and equivalent qualifications and vocational qualifications, to life skills awards which demonstrate increased independence. Young people also have opportunities to participate in work related learning and they are well prepared to make the transition into education, employment or training once they leave Saxon Mount.

Learning and development

We have an excellent track record in supporting pupils in moving on to the next stage of their learning and development and we maintain contact with parents and carers for as long as necessary.

Working with parents

Parental involvement

School is a partnership between students, parents/carers, governors and staff and we believe that good communication between home and school is very important for all pupils. Parents and carers are welcome to contact the school with any queries or worries.

Parent evenings

Each year there are three timetabled occasions for contact between home and school. In the autumn we have a parents' evening when parents/carers meet their child's form tutor. This is also a time to meet with staff and discuss Individual Education Plans.

Annual Review

In term five there is an opportunity to meet subject teachers. Parents are also invited to take part in their child's Annual Review when we discuss their progress and set targets for the following year. Your child is always invited to take part in this meeting.

Parent Information Contact

Our Parent Information Contact team are Sally Torode, Annie Oak and Jessica Bryce. They are able to provide a wide range of information and support for parents and carers and hold coffee mornings and events for parents and carers throughout the year. General information and leaflets about support services, accessing free school meals etc. are also available from the school entrance. If you have any questions or queries, please do not hesitate to contact our team on 01424 426303 or e-mail: saxonoffice@tasmat.org.uk

The Home School Agreement

We believe it is essential to have strong links between home, school and the community. All children, parents and teachers are asked to sign a Home School Agreement that outlines the intentions of all three parties. A copy of which is returned home to the parents. The Headteacher also issues each class with a Headteacher's Charter, which gives details on how he will endeavour to support your child whilst at the school.

Contacting parents

In case it is necessary for a child to be sent home because of an accident or illness, it is essential that parents and carers provide the school with their work and home contact details plus an email address. You will appreciate the need to keep this information up to date, so please notify the school as soon as possible if your contact details change.

Policies

Why do we need policies?

For a school to offer high quality education and care, it needs policies. Policies help develop and define a set of consistent rules, regulations, procedures and protocols.

High standards

At Saxon Mount we believe that policies are vitally important, and they help us to create standards of quality for learning and safety, as well as expectations and accountability. If you want to know what policies we have, you can either call the school office or visit the school website: www.torfield-saxonmount.com and click on 'Key documentation' and then click on 'Policies.'

Key policies

Some of our key policies are:

- SEN policy
- Accessibility
- Administration of medicines
- Behaviour
- Complaints
- Charging

We will strive to

Promote independence and preparation for life after school

Promote inclusion and equality of opportunity

Provide accessible, meaningful and challenging activities to promote learning and personal development

Promote and develop communication and social skills

Provide opportunities to learn about and practice empathy, respect, kindness, trust and collaborative working

Provide opportunities to develop self-esteem and self-worth

Develop moral, spiritual and cultural awareness

Provide a caring, supportive, safe and stable learning environment

Work effectively as a staff team, constantly striving for improvement

Celebrate achievements in all aspects of development

Provide pupils with opportunities to fulfil their potential

Promote enjoyment and pride in learning and achieving

Clearly share our values with parents, carers and other stakeholders

Manage our resources effectively to ensure maximum benefit to learners
