Anti-Bullying Policy

January 2020

This policy is based on DfE guidance “*Preventing and Tackling Bullying. Advice for headteachers, staff and governing bodies*”, 4th July 2017.

1) Objectives of this Policy

This policy outlines what Torfield School and Saxon Mount Community School will do to prevent and tackle bullying, including online bullying. The policy has been drawn up through the involvement of the whole school community, and where appropriate, the School Council and we are committed to developing and maintaining an anti-bullying culture where no bullying will be tolerated or go unchallenged.

2) Our school community:

- Discusses, monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports all staff to promote positive relationships to prevent bullying and will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy.
- Reports back to parents/carers regarding their concerns on bullying and deals promptly with complaints. We expect parents/ carers in turn to work with the school to uphold the anti-bullying policy.
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate
- Supports our SEN pupils in their interaction and communication with each other, to enable them to understand what safe and appropriate behaviour is.

3) Definition of bullying

Bullying is “Behaviour by an individual or a group, repeated over time that intentionally hurts another individual or group either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; hurting others; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through websites and social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet. It can also include unwanted and targeted sexualised behaviour or the posting of personal images online.

4) Forms of bullying covered by this Policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
- Bullying related to SEND (Special Educational Needs or Disability).
- Bullying related to appearance or physical/mental health conditions.
- Bullying related to parental circumstances
- Bullying related to sexual orientation (homophobic bullying).
- Bullying of young carers, children in care or otherwise related to home circumstances.

- Sexist, sexual and transphobic bullying.
- Bullying via technology –“cyberbullying” or online bullying.

5) Preventing, identifying and responding to bullying

The school will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all.
- Work with staff and outside agencies to identify all forms of prejudice-driven bullying.
- Actively provide systematic opportunities to develop pupils’ communication, social and emotional skills, including their resilience.
- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Challenge practice which does not uphold the British values of tolerance, non-discrimination and respect towards others.
- Consider all opportunities for addressing bullying in all forms throughout the curriculum and supported with a range of approaches such as through displays, assemblies, peer support, PHSE, Citizenship, Additional Support Provision and the school council.
- Regularly update and evaluate our approaches to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Train all staff including teaching staff, support staff (including administration staff and site support staff) to identify all forms of bullying, follow the school policy and procedures (including recording and reporting incidents).
- Proactively gather and record concerns (using behaviour log, red slip forms and CPOMs) and intelligence about bullying incidents and issues so as to effectively develop strategies to prevent bullying from occurring.
- Actively create “safe spaces” for vulnerable children and young people, e.g. Blue Room at Saxon Mount, small/quiet rooms at Torfield
- Use a variety of techniques to resolve the issues between those who bully and those who have been bullied.
- Work with other agencies and the wider school community to prevent and tackle concerns.
- Celebrate success and achievements to promote and build a positive school ethos.
- Respond to each case individually, based on the SEN/ASD needs of the pupils, recognising that many have ASD and communication difficulties, making understanding the social implications of language and interaction more difficult to interpret.

6) Involvement of pupils

We will:

- Regularly canvas children and young people’s views on the extent and nature of bullying and their sense of ‘safety’.
- Ensure that pupils know how to express worries and anxieties about bullying.
- Ensure that pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Publicise the details of help lines and websites.
- Offer support to pupils who have been bullied and to those who are bullying in order to address the problems they have.

7) Liaison with parents and carers and visitors to school

We will:

- Make sure that key information (including policies and named points of contact) about bullying is available to parents/carers.
- Ensure that all parents/carers know who to contact if they are worried about bullying.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively.
- Ensure all parents/carers know where to access independent advice about bullying.
- Work with all parents/carers and the local community to address any issues beyond the school gates that give rise to bullying.
- Expect that parents work with the school to role model positive behaviour for pupils, both on and offline.
